# IllumiNITE Wrap™ + FLITE® TECHNOLOGY

Add a night shift to the visibility of your graphics and never miss another impression with IllumiNITE Wrap™. As a premium digitally printable reflective film featuring FLITE Technology®, installers will experience an effortless installation when wrapping gentle curves and complex corners. The exceptional repositionability from FLITE Technology® will alleviate bruising or chatter lines resulting in optimal reflectivity.

## Unique Features:

- ▶ Superior Repositionability, Minimizing Bruising for Optimal Reflectivity
- ▶ Fastest Installation with FLITE Technology®
- ▶ Enhanced Elongation for Optimum Conformability
- ▶ Brilliant Graphics by Day, Luminous Graphics by Night

## Applications:

- ▶ Cars
- ▶ Passenger vans
- ▶ Buses
- ▶ Trains, Trams

## Category:

- ▶ Vehicle Graphics
